Admin or Chef Login info

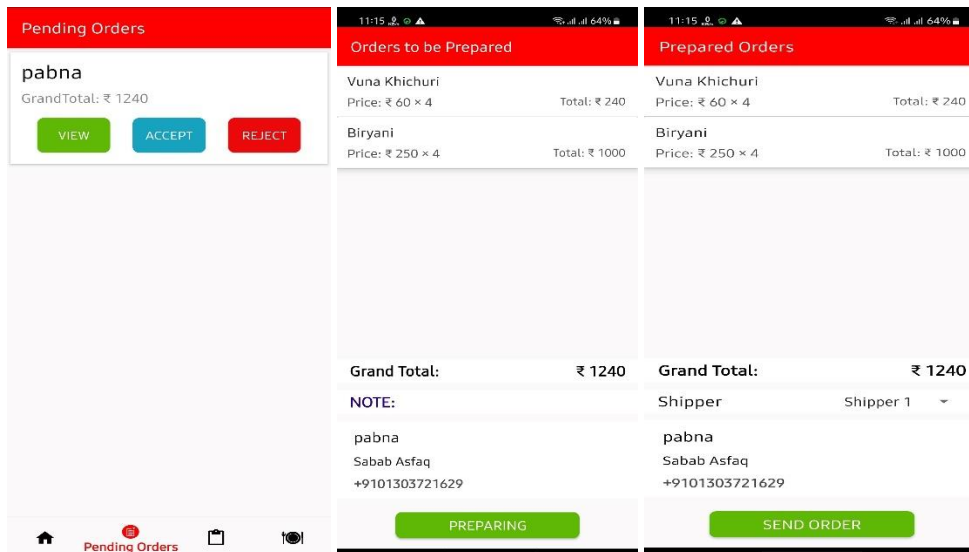

First screen of the app. If user has an account can login as a Chef. If user doesn't have any account, then user need to create an account by clicking the Signup bottom.

After Login Chef can post food and update or delete food item.

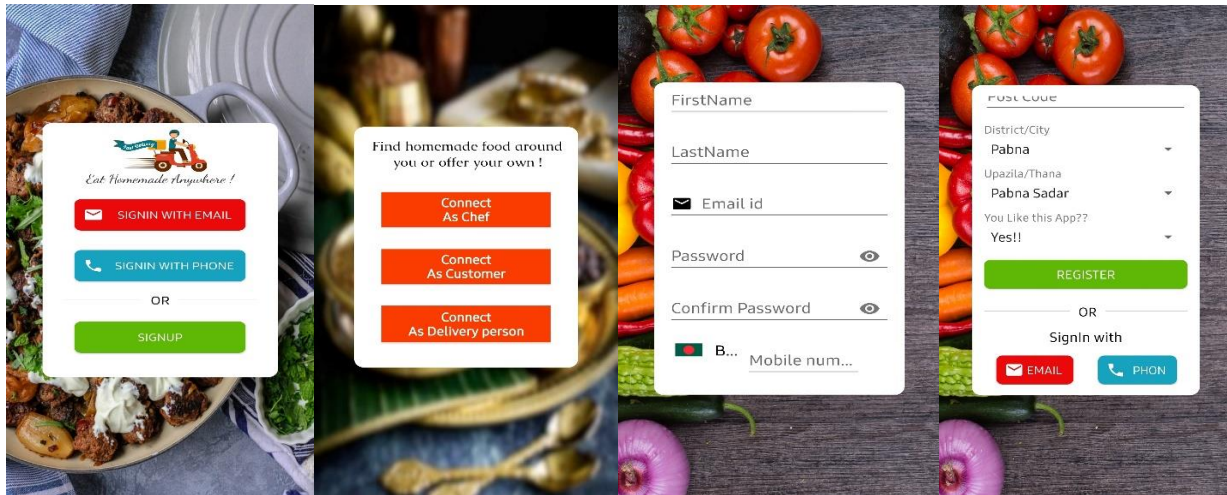

When the Customer orders food Chef can accept or reject the order. After accepting orders customers see payment options after payment chef prepares the ordered food. After preparing the food chef sends the order to the delivery person and the delivery person picks up the food for the customer.

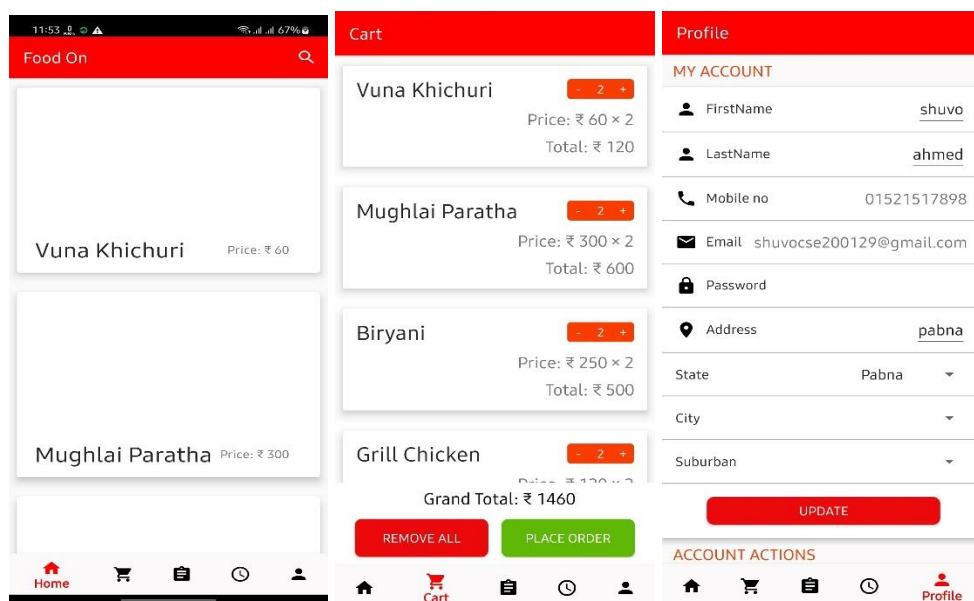

Customer Login info

First screen of the app. If user has an account can login as a Customer. If user doesn't have any account, then user need to create an account by clicking the Signup bottom.

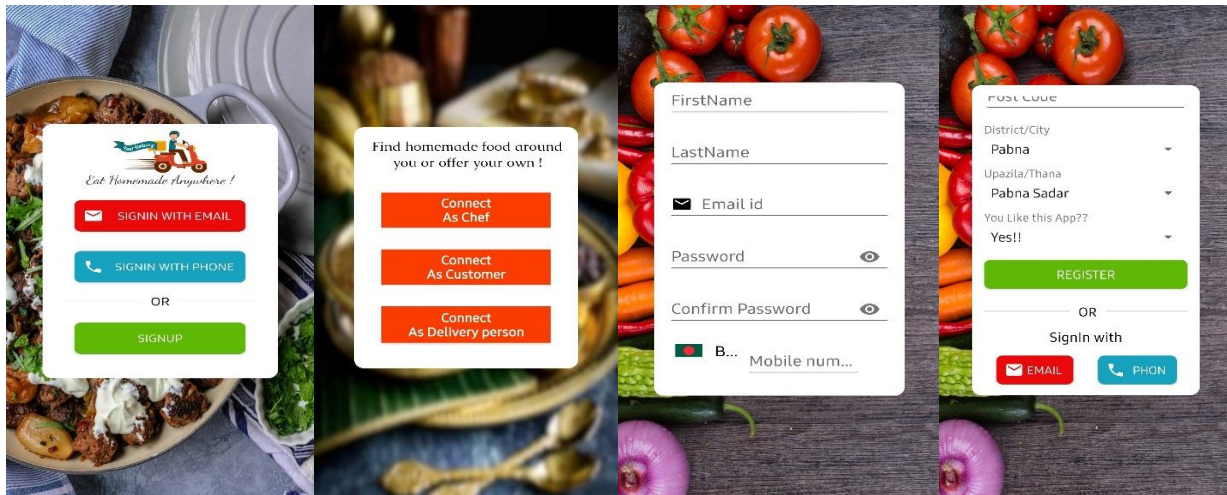

After login customers can see the chef's post. And Customers can order food, edit profile, make payments, track orders, delete orders.

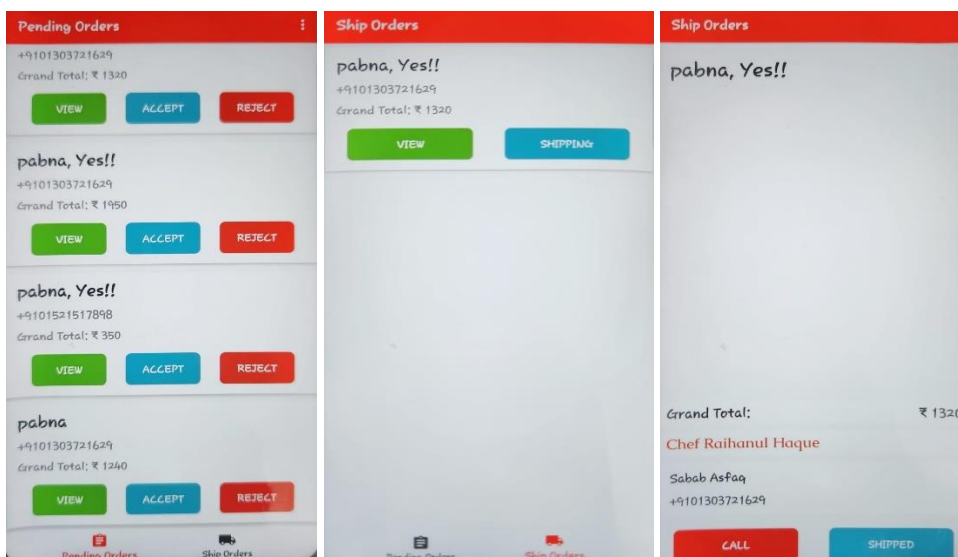

Delivery Login info

First screen of the app. If user has an account can login as a Delivery Person. If user doesn't have any account, then user need to create an account by clicking the Signup bottom.

After login delivery person sees pending orders. A delivery person accepts (or rejects) orders for delivery.

Find a restaurant

Enter your areas on the home page. Browse from our extensive list of restaurants that deliver to your area. Pick a restaurant you like and browse its menu.

Order what you want

Build up your meal by choosing from any of your favorite restaurants, browse the menu and select the items you will like to order. If options are required, e.g pizza toppings, you will be asked to choose them one you click on an item. Your items will appear on your cart on the right.

Checkout & Payment

Once you are happy with your order, click on the "ORDER NOW" button and enter your delivery address. Simply follow the checkout instructions from there. We currently only accept cash on delivery.

Delivery

We will send you an SMS confirming your order and delivery time. Sit back, relax and wait for piping hot food to be conveniently delivered to you!
